

ABOUT US

As we all know, it's *not* about us - it's all about Him. By way of introduction however, "us" is Dave and Judi. The work you see is Dave's role and responsibility; what you don't see is Judi's forte. Behind it all, of course, it is God who works, enables and provides (Phil 2:13; 2Co 3:5-6; Heb 13:20-21; Phil 4:12-13, 19).

We were married in 1974. Dave was saved in 1985; Judi shortly thereafter. We were 2 of the most unlikely candidates for salvation from any practical view (long stories!). Praise God that He operates outside of practical limits!

Dave has been involved in jail and prison ministry, including aftercare, since 1987. He is currently a county jail chaplain. He has ministered God's Word in various teaching assignments, including some Sunday morning pulpit duty. Additionally, Dave enjoys leading music worship with his acoustic guitar. Dave and Judi have served together on staff at 2 separate Christian camps. Judi is the epitome of the helpmate, doing whatever needs doing.

We have been identifying ourselves with the name "New Creation Servantry" since about 1988, having chosen "Servantry" rather than "Ministry" because of the corruption which the word "ministry" was suffering at the time, and has suffered since. Likewise, "Christian," "Christianity," "believer," "faith," and so many others have fallen into disrepute according to the warning of 2Pe 2:1-2. None of us can control any of that - we must simply press onward in God's grace, mercy, strength and provision. Anyhow, since Jesus clearly taught that ministry is all about servantry (Mk 10:45), we considered it appropriate to identify ourselves as servants, dedicated to discharging the work God provides with the attitude and effort of faithful servants. Pray that we will do so.
